IN-HOUSE PAD PRINTING & HOT STAMPING

Artwork Guidelines:

A successful job is directly related to the quality of the original artwork used. In order to insure the highest quality reproduction on an imprint, the original artwork used should be 600 dpi or higher. Top quality original artwork equals top quality reproduction.

Branding your products is a highly successful way to build your business. RaGar Company now offers two effective options.

Hot Stamping: Eye-Catching and Functional. Hot stamping your logo onto your packaging collections will add an attractive, durable finish while building your brand recognition. Our brilliant, metallic hot stamp foils are available in a variety of colors including, gold, silver, black, burgundy, green and blue. For use on Fabrics and Papers.

Pad Printing: Build brand recognition with pad printing your company logo onto wood and paper lids of any of our packaging collections. Ink colors available are matte gold, matte silver and black ink. For use on Fabrics, Papers and Woods.
